GOOD NEWS 777

7+7+7+9+9+9=8+8+8+8+8+8+8

(21+27=48)

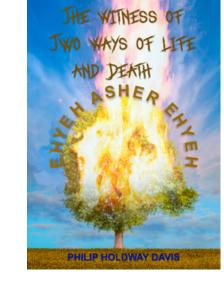

Did you know that the original New Testament had a lot more books than it does today? Today we have 27 core books but originally there were at least 48. Jesus's favoured disciple, the Apostle John, writes that the whole world could not contain the number of books that should be written about Jesus (John 21:25). Numbers are important in the Holy Bible. Some Bible scholars maintain that 7 is the foundation of GOD's Word and represents completeness and perfection. The number 8 represents a new beginning, meaning a new order or creation. The 7+7+7 Witnesses bring completion to the 9+9+9 current books of the New Testament and restores it to 8+8+8+8+8.

Known also as EHYEH's Witnesses, these 21 Scriptures of Unconditional Love have been re-discovered over the past few centuries. They do not contradict the traditional Holy Bible in any way. The followers of Jesus in the first two centuries treasured them dearly. They were ejected from the New Testament 300+ years after Jesus by the Roman Church in AD 367. This action resulted in the loss of valuable literature, knowledge and history for well over 1,000 years. The world would have been a better place having its tribes, societies, peoples and nations imbibed with more truth, enlightenment and unconditional love.

Codex Sinaiticus witnesses there were more books than the 27 in the New Testament. Codex Sinaiticus was re-discovered in 1844 at St. Catherine's Monastery in the Sinai Peninsula.

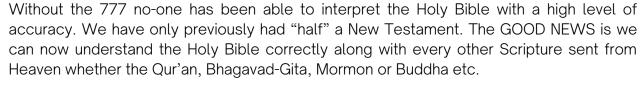

Written circa 340, it is the oldest New Testament in existence and includes the Epistle of Barnabas and the Shepherd of Hermas following Revelation. These two documents are composite books of an original four which are included as EHYEH's Witnesses. Most of Codex Sinaiticus is sometimes displayed in the British Museum in London and I have seen it with my own eyes. The Witness of Two Paths of Light and Darkness and The Witness of the Jewish Scriptures are free to download from www.thesoulsong.co.nz Together they make up Epistle of Barnabas from Codex Sinaiticus.

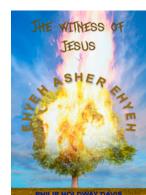

The 777 also act as 21 new witnesses coming forward in a court to present to the Judge and Jury (you/us/everyone) their powerful testimony of new evidence for Jesus the Christ and more knowledge of GOD. We have extra proof that our CREATOR is real.

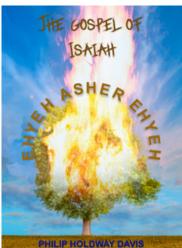

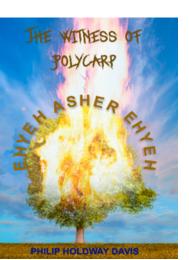

We need to make up for the 1,600 + lost years. Join me at the Old Wharf (7.30pm or later at sunset - see map) when extracts from the 777 will be read including the lost words and teachings of Jesus from The Witness of Jesus. Do it yourself anywhere anytime by downloading the Te Atatu A-Z at www.thesoulsong.co.nz and follow the programme - I often am away and you don't need me anyway.

Having met earlier at sunrise, the first Christians would meet in the evening to eat and drink the Love Feed & Elixir of Eternal Life. Roman Governor Pliny wrote about this in In AD 112.

The 21 Witnesses provide (probable) indisputable proof that GOD is real. Why not be reasonable and present yourself to your CREATOR at one of the six churches or other worship groups in Te Atatu? You will be able to engage with EHYEH ASHER EHYEH as GOD's living words are read.

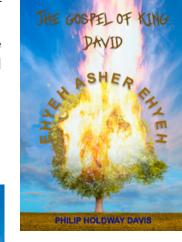

You can display the EHYEH ASHER EHYEH poster to remind you to call upon the Name of GOD regularly and to show your allegiance to GOD. It will also encourage others to do the same so that GOD's Name can be honoured and declared among the nations – Psalm 96:3.

The 777's Good Confession (1 Timothy 6: 12-14) means we are now free to present ourselves to our CREATOR at any Christian Group, Kingdom Hall (Jehovah's Witnesses), Latter Day Saint Temple (Mormons), Jewish Synagogue, Islamic Mosque (Allah is EHYEH ASHER EHYEH - Exodus 3:14) and Sikh Temple. Hare Krishna congregations are also acceptable providing you worship Krishna alone because most of the Hindu gods are fallen angels, bad energy spirits or demons and very few people have the ability to identify the good ones from the evil ones - Psalm 96:5 & Revelation 12:7. Keep the Good Confession close in your heart and mind and you will be spiritually safe everywhere. Every book at www.thesoulsong.co.nz explains the Good Confession.

When we allow our hearts to be changed by 777's Holy Spirit, we walk in the way of unconditional love, mercy, forgiveness, kindness, compassion, gentleness, humbleness, peace, patience, faithfulness, goodness and self-control. This flows out from us for the greater good of the family-whanau, communities, societies, peoples, tribes, nations and countries we live in.
