

GOOD NEWS
EHYEH ASHER EHYEH

Our Creator (GOD) has a Name. It is **EHYEH ASHER EHYEH**. We know this because Moses asked what the Name was. In Exodus 3:13-14, the Complete Jewish Bible reads: Moshe (Moses) said to GOD, “Look, when I appear before the people of Isra’el and say to them, ‘The GOD of your ancestors has sent me to you’ and they ask me, ‘What is His Name?’ What am I to tell them?” GOD said to Moshe, **“EHYEH ASHER EHYEH...”**

That is the one and only place where the Name is pronounced. Genesis 4:26 refers to people calling on the Name of GOD. Logically the Name was **EHYEH ASHER EHYEH** – the same Name given to Moses.

This happened thousands of years before Moses and Christ, which demonstrates we can personally engage with GOD by calling on the Name **EHYEH ASHER EHYEH**. That indeed is GOOD NEWS for everyone, non-religious and religious alike. Atheists, agnostics, the two-minded, uncertain and undecided, now have another opportunity to discover GOD.

In the 4th century, the Name was translated from Hebrew into Latin by the Jewish scholar Jerome as EGO SUM QUI SUM. In English, it translates as **I AM WHO AM**.

Latin: Dixit Deus ad Mosen: “**EGO SUM QUI SUM,**” ait: “sic dices filiis Israhel ‘qui est misit me ad vos’.”

English: GOD said to Moses: “I AM WHO AM,” He said: “Therefore, you will say to the children of Israel: ‘HE WHO IS, has sent me to you’.”

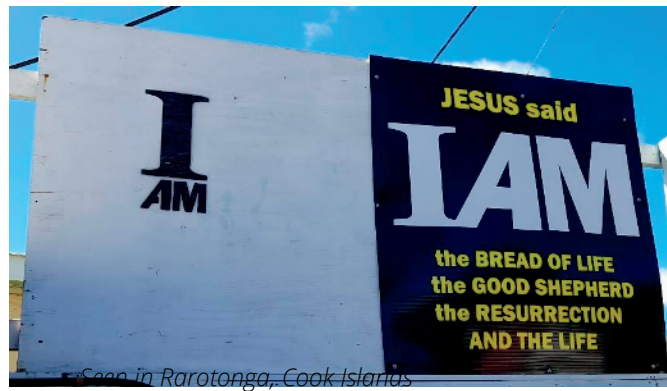

The Name **EHYEH ASHER EHYEH** may confuse a number of people who thought the name was Jehovah or Yahweh or something else. In fact, in Exodus 3:15 GOD tells Moses to say that GOD's Name is YHVH (YOD-HEH-VAV-HEH). Unfortunately, the correct pronunciation was stopped from being passed down long ago so people had to guess and came up with Jehovah and Yahweh etc. **EHYEH = I AM**. YHVH = HE IS. One is first person, the other third person. One is the personal Name used by GOD the other is the proper Name used by the Hebrews. Our Creator's personal Name was shared with Moses because Moses was the most humble person on the earth - Numbers 12:3.

The people of Israel at that time were hard-hearted. After seeing many miracles whilst being set free from slavery in Egypt, they made a golden calf and started worshipping it instead of GOD. This is probably why **EHYEH** only gave them the Name in the third person.

YHVH or YaHWeH or JeHoVaH or similar has stuck for thousands of years down to this very day. It was only meant for the generations of Hebrews. The disciples/apostles of Jesus never used any of those names and neither did Jesus. The Spirit of Jesus is **EHYEH** so Jesus had us call our Creator by another personal name instead – Father.

We, the community at Te Atatu, along with other civilised persons throughout Aotearoa New Zealand and the world, are not savage brutes as they were back then in Moses' day. We know the difference between right and wrong and have been made rational people due to the influence of Abraham's Faith, Moses' Law, The Life of Christ and Holy Spirit. We have become reasonable, fair-minded, humble and gentle people. We are all now a little bit like Jesus. So, after 5,750 years it is reasonable to restore and call upon the Name of **EHYEH ASHER EHYEH** again – especially as we are nearing the end of this 6,000-year age of death, decay and suffering.

Pronounced **E** as in egg, **HY** as in he/she, **YEH** as in yeah-yeah-yeah, **A** as in apple and **SHER** as in share, **EHYEH ASHER EHYEH** are the three most powerful words in the history of time and contain the full potency of GOD

I AM is a Name Jesus called Himself just as GOD did 1,500 years prior. **EHYEH ASHER EHYEH** is the Spirit of Jesus. Jesus says **I AM** many times in the Gospels, especially in the Book of John. In the Book of John, we read that the religious leaders picked up stones to kill Jesus when Jesus said, **I AM** – John 8:59 and John 10:30-33. Join me at sunrise (Te Atatu means The Dawn) at McCormick's Cottage (see the map) to call upon the Name of our Creator **EHYEH ASHER EHYEH** as Psalm 113:3 instructs us: "From Te Atatu (The Dawn) to the going down of the sun, the Name **EHYEH ASHER EHYEH** is to be praised." You don't need me there as the Te Atatu A-Z guide is free to download at www.thesoulson.com.nz so you can do-it-yourself.

Meeting at sunrise (Te Atatu) in the open air is important as that was the regular practice of the first Christians. In AD 112, Roman Governor Pliny writes that the Christians met in the early mornings to sing worship songs to Christ and to pledge loyalty to GOD by not committing murder, adultery, theft, fraud and other such crimes.

Once you have experienced **EHYEH ASHER EHYEH** you have the proof you need and nobody can take that away from you. It is like a worldwide amnesty for the entire human race with an offer of salvation: "whoever calls upon the Name of **EHYEH ASHER EHYEH** will be saved" – Joel 2:32 & Romans 10:13.
